

SUPPLY CHAIN AND INSPECTION SERVICES

Customs Classification

Bureau Veritas, the leading global inspection, testing and certification company, is your trusted partner to enhance the visibility and reliability of your supply chain operations.

By leveraging Bureau Veritas' Customs Classification services, you can focus on your core business activities, while benefiting from the reliable expertise and global reach that Bureau Veritas provides.

Benefits

EXPERTISE AND OUTCOME-FOCUSED

Bureau Veritas is a trusted partner for customs classification across global markets. The company has decades of frontline experience and has worked closely with multinational enterprises and customs authorities. Bureau Veritas can help your company to achieve valuable classification consistency across borders, thereby mitigating compliance risks and maintaining smooth, uninterrupted trade flows.

STREAMLINED CLASSIFICATION AND MAXIMISED PRODUCTIVITY

Partnering with Bureau Veritas can help to streamline your customs classification process, thereby minimising administrative burden while ensuring accurate, compliant outcomes. Our dedicated experts analyse goods using inspection findings or technical specifications, supported by a powerful document management system. All data is delivered online, accessible 24/7, driving operational agility across your global trade network.

EMPOWERING GLOBAL GROWTH WITH LOCAL INSIGHT

With a global presence, Bureau Veritas can offer you local expertise wherever you operate. Whether you are scaling operations or entering new markets, our local teams can help reduce risk and accelerate time to market.

Bureau Veritas' Tailored Visual Inspection services: your gateway to increased visibility, higher transparency, greater reliability and improved efficiency to your supply chain.
